Perfect

DICOTA is renowned for supreme quality and functionality in protection and carrying solutions for your personal media products; devices often contain individual values and sometimes even an entire life.

Each DICOTA product was created for a world on the move; for a world that requires perfect protection and deserving no less than a first class design.

Protect your world!

Pro-tection

Quality

Quality enough and to spare

If from the inside or outside – every DICOTA product offers best material and manufacturing quality in every little detail.

"Double seams and especially tearproof threads / solid metal fittings at all pressure points / double-secured carry handles / implemented, flexible metal frame as reinforcement / intensive protection with PAC padding (Permanent Air Cells) and HDF (High-Density Foam) foam padding / strict production guidelines and permanent quality control / smooth-running and "self-healing" zippers of very high quality / hard-wearing, extremely tearproof lining / Notebook cases with trolley system for comfortable transportation / high-value nylon and polyester as well as selected leather of the finest quality.

Guar-antee

"No limits" and "24 months" guarantee

DICOTA offers a "No limits" guarantee on all possible material and manufacturing faults on all cases with exception of cases that have a trolley function or cases with electrical components, hard-shell and non-standard products. These, as well as Accessories are covered by a "24 months" guarantee by DICOTA.

New!

Get ready!

The DICOTA Me Series is a range of bags and sleeves for mobile electronic devices that is all about you. No matter if you use the device for gaming, blogging, making music, watching movies, graphic design, working on your pictures or writing some great pieces of poetry.
